## PRIVACY LAW (rights of the interested)

I. Regarding the personal data processing the interested has the following rights:

- a) To know, by free access to the Record by Art.31.sub-paragraph, letter a, the existence of personal data processing which may concern him
- b) To be informed about the art. 7, sub-paragraph 4, letters a,b,h
- c) To obtain by the Owner or by the Responsible without delay:
  - 1) Confirmation of the existence of his personal data, also those not recorded yet, and their communication in an intelligible way and of their origin and purposes on which the processing is based : the request can be renewed subject to the existence of justified motives with a break of ninety days
  - 2) The cancelation, transformation into anonymous form, or blocking of the processed data in violation of the law, including those of which is not necessary the conservation for the purposes they were collected or subsequently processed
  - 3) The up-dating, corrections, or if case of interest, the integration of data
  - 4) The confirmation that the operations referred to in points a) and b) have been brought to the attention, even with reference their contents, to whom which data have been processed or diffused except for the circumstance in which this breach results impossible and requires the use of means clearly disproportionate to the right to be protected

4

d) to object even partially, for legitimate reasons, to the processing of his personal data, even if pertinent to the purpose of the collection;

e) to object even partially to the processing of his personal data as provided for commercial purposes, advertising material sending, direct sale or to carry out marketing researches or interactive marketing information and to be informed by the owner regarding the possibility to exercise this right free of charge not after the moment in which data are diffused.

2. Regarding any request related to sub-paragraph 1, in case of non-confirmed existence of data related to himself, the interested may be charged a fee not higher than the costs actually charged according the terms and conditions in the Art.33, sub-paragraph 3

3. the rights described in the sub-paragraph 1 regarding personal data of deceased persons may be exercised by anyone it may concern

4. in the exercise of the rights described in the sub-paragraph 1 the interested party can delegate or issue a power of attorney to private individuals or associations

5. Provided the regulations on professional confidentiality by journalists limited to news sources

5

## WARRANTY BOOKLET

The warranty booklet is supplied to the Customer by S.M. Racing Official Dealer with the use and maintenance booklet and the delivery certificate at the moment of the delivery of the engine

Two copies of the warranty registration coupon should be filled properly with the customers and engine details at the moment of the delivery

SM Racing copy shall be sent immediately by the customer to activate the warranty

The warranty cover starts from the selling date or from the date in the fiscal sale document

Keep this booklet in a safe place

6

This booklet contains all the warranty details and information related to your engine .

A correct engine maintenance and a properly recording of the services on the appropriate booklet allows you to obtain full satisfaction and warranty cover

The warranty booklet has to be at disposal of the Official Dealer that carries out the maintenance or the warranty repairs

This booklet is an integral part of the engine and in case of sale it shall be with it  
In case of loss it is possible to ask a duplicate to the Seller

7

## HOW TO REGISTER THE WARRANTY

After the delivery of the new engine, the buyer shall send the copy of THE WARRANTY REGISTRATION COUPON, filled by the engine and the owner's details, and the delivery certificate duly filled and signed to S.M. Racing by registered letter.

S.M. Racing in its turn shall register and activate the warranty

Any ownership transfer or address change shall be communicated in written to S.M. Racing

8

## WARRANTY CONDITIONS

S.M. Racing is the supplier of the warranty. The warranty lasts 24 months from the date of selling to the customer.

This product is not certified and it is dedicated to experimental aircrafts  
S.M. Racing is not responsible for problems or damages caused to people, animals or objects during the entire life of the engine

Read accurately the warranty conditions described in the use and maintenance manual and on the delivery certificate

9

## HOW TO OBTAIN THE ASSISTANCE UNDER WARRANTY

The warranty is supplied by the official dealers network so you shall ask for it to your S.M. Racing Official Dealer showing this booklet and the delivery certificate of the engine.

### **SM Racing Official Dealer obligations:**

During the warranty period the Official dealer shall repair or replace, at S.M. Racing discretion, each part with material or manufacturing flaws.

### **WARNING:**

**The failed sending of the WARRANTY REGISTRATION COUPON and the delivery certificate determines the failed registration of the warranty by S.M. Racing**

10

- **For any intervention request by the Dealer, S.M. Racing reserves the right to ask the sending of the proof (fiscal receipt) of the interventions and all the documents related to all the interventions carried out from the date of the delivery of the engine**
- **For any intervention request by the dealer, S.M. Racing reserves the right to ask for the sending, free delivery, of the part to be replaced under warranty to S.M. Racing via Contrada Cerreto 2E-63032 Castel di Lama (AP)**

11

## WARNING

### The warranty excludes:

- Damages deriving from negligence in the ordinary periodic maintenance described in the use manual
- Damages caused by repairing or maintenance operation not in compliance with the specifications
- Damages caused by the use of the aircraft in races, competitions or sport events
- Any leased engine or used for purposes different from the personal use
- Any damage caused by working conditions different from those indicated in the use and maintenance booklet or by different use from the one indicated in the specifications (allowed load, high engine run, etc)
- Any damage caused by modifications and/or tampering
- Any damage caused by the time
- Any damage caused by the weather conditions
- aesthetic aspects which don't interfere with the engine performance and reliability
- any damage caused by non-correct storage or transport
- consumables(friction materials etc.), lubricants and the following:  
plugs, filters, bearings, belt, rubber parts, pipes and hoses or other plastic materials subject to wear and tear

12

- additional costs to the warranty request, costs of rescue and transport to the Dealer of the broken aircraft
- accidental falls

### therefore the following damages are not covered by the warranty or not refunded:

- to people, animals or objects caused by engine generic use
- to people, animals or objects caused by the helix engine or by any other part broken off the engine
- to the frame, to the aircraft components or to the helix caused by the collision with any other part of the engine

13

## MAINTENANCE

The user has the responsibility to make sure that the periodic maintenances are carried out according the frequency described in the use and maintenance manual and also he has to keep, as proof of work done the receipt (or fiscal invoice),of the dealer.

In case of faults detected during the warranty period, contact immediately a S.M. Racing Official Dealer describing the problem and agree terms and time for the workshop intervention

### CHECKS

it is recommended to follow the indications of the maintenance and use manuals

**MAINTENANCE SCHEDULE : see page 11 of maintenance and use manual**

14

### AT ANY USE

check for non-return fuel pressure regulator correct working  
visual check of the silent block  
check for the engine oil level  
visual check of the intake sleeves state  
visual check of the air filter  
check for the gas control and cable  
check for bolts  
check for belt tension  
check for liquid leakages

**MAINTENANCE SCHEDULE : see page 11 of maintenance and use manual**

### ASSEMBLY AND PRE-DELIVERY

**Before delivery your new engine the Authorized Dealer confirms that the pre-delivery inspection has been carried out according the supplied instructions by reading you and signing the delivery certificate attached to this booklet**
